

Welcome to the 2009-2010 School Year!

What is the Twin Peaks Foundation? Why do I want to be involved?

- ❖ The Twin Peaks Foundation is a non-profit organization dedicated to enhancing educational excellence for all students at Twin Peaks. The purpose of the Foundation is to bridge the widening gap between the amount of money actually provided by the State of California and the Poway Unified School District and the amount necessary to fund much-needed technological equipment and keep it operational throughout the year
- ❖ Through your donations, we enhance your child's education by providing much needed additional funding to the school. Since being established in 1996, the Foundation has provided the school financial support of nearly \$550,000. The Foundation is an IRS designated 501(c)(3) charitable organization and all contributions are tax deductible.
- ❖ A volunteer board of dedicated parents and educators governs the Foundation; organizes fundraising activities, and votes on program and equipment expenditures that the teaching staff requests. For the 2008-2009 school year, donations and fundraising activities netted \$68,000.

The Twin Peaks Foundation relies on the generous gifts of supporters, like you, to maintain our tradition of excellence in our school. 100 percent of donations received are donated back to TPMS. The time to give is now. Our children need your help.
